Acknowledgements

The artistic staff and professional dancers have had the opportunity to work with some amazing people this past season in the UNBOUND and Fusion Collective programs. Their work ethic, passion and growth have been inspiring and I am so happy to celebrate them with this showcase.

Our company is committed to providing a brave space for people (at any point in their training) to move and create, but most importantly, to step into their greatness and discover new possibilities for themselves as artists and as humans. It is a privilege for me to work with them, and I am sure my fellow teaching staff would agree. To all our students, thank you for being a part of the ADC family. ~ Ashley L. Tate

With your help, ADC can continue making an impact in the lives of those who love the art of dance.
